Dear Mr. Elizondo:

On behalf of the Houston-Galveston Area Council's (H-GAC) Parks & Natural Areas Subcommittee, thank you very much for your entry, "Seabreeze Environmental Landfill Wetland Project" to the 2007 H-GAC Parks & Natural Areas Best Practices Honor Award Program. Although your entry was not selected for an Honor Award in the Project category, the scoring team noted the following characteristics as worthy of recognition for your outstanding contributions to the region in project development and completion:

- Excellence in effort to provide park and natural space in a non-traditional area;
- Creation of an aesthetic, functional natural area, and storm water quality improvement in a non-traditional setting; and
- Educational opportunities for children to explore wetlands.

The Board of Directors of the Houston-Galveston Area Council will meet on Tuesday, February 19, 2008 for its regular meeting at 10:00 AM. You will receive a plaque for your organization's achievement at a brief ceremony during the meeting. A reception for all Awardees and Recognized applicants in the contest will follow the Board meeting. The meeting is held on the second floor of Conference Room A at 3555 Timmons. Please contact Kathleen Ramsey at (713) 499-6653 for further information.

Again, thank you for your entry and your good work for the region.

Very truly yours,
